Meeting Agenda

Location: Idéläran, room 11
Date: 14 Mars 2012
Time: 11:10
Facilitator: Johan Grönvall
Participants: Daniel Jonsson, Johan Grönvall, Johannes Ulén

1. Objectives
   o Discuss Liag's absence.
   o Discuss what needs to be done.

2. Reports
   o We have added to the RAD.
   o We have created a Git repository. https://github.com/MaTachi/Robots-Stole-My-Girlfriend
   o We have created a Use Case mind map.

3. Discussion items
   o Liag is not present and doesn't answer on the phone.
   o Complete section 1 in RAD.
   o Write at least 4 Use Cases until Thursday.
   o Start at the Domain Design.

4. Outcomes and assignments
   o Write and finish mandatory parts (together) in RAD until tomorrow.
   o Work on the Domain Design later today (together).

5. Wrap up
   o Unsolved: Liag's absence.
   o Next meeting tomorrow after the meeting with the supervisor.
